

# UNITED WE RISE

Contributions to the **Community Action Fund** support the following programs and services provided by the agencies listed below.

## United Way Community Impact Initiatives

### United Way Community Action Fund

The most powerful way to invest in Sheboygan County. This fund supports United Way's efforts to improve education, financial stability, and health for every person in our community.

### Sheboygan County Volunteer Center

Connecting corporate and individual volunteers with non-profit opportunities throughout Sheboygan County.

### PATH: Providing Access to Healing

Placing licensed therapists in the school setting to remove barriers and provide students with needed mental health services.

### CPC: Community Partnership for Children

Providing a coordinated system to address the diverse needs of children, families, and caregivers through this cradle to career initiative which is currently focused on birth to six.
